April 27th & 28th, 2024 Prairie City National Track
Prarie City National Race Track 13300 White Rock Rd. Rancho Cordova Ca. 95742

Prairie City is one of the most historic MX tracks in California. This track and facility are home to the AMA Hangtown Pro National. It is the premier track in Northern California! The track is prepared daily for riders and racers of all ages and skill levels, whether you're a beginner just starting or a professional training for Hangtown. The track is located in the Prairie City SVRA, which is a very clean and well maintained state park with great facilities including clean and permanent restrooms, covered grandstand viewing and a large flat parking area.
