

# 49<sup>TH</sup> ANNUAL SIERRA INTERNATIONAL VET MOTOCROSS

**APRIL  
27TH-28TH**

**at the Fernley, NV**

# SANDBOX!

# Sierra Old Timers M. C. Officers

President: Paul Park  
Vice President: Rich Wilson  
Treasurer: Bret Eckert  
Secretary: Wayne Halozan

Sergeant of Arms: Jerry Tucker  
Race Director: Duane Quick

**Welcome** to our 2025 Annual Sierra Old Timers International Motocross Event here at The Sandbox in Fernley, NV.

Our officers and members of the Sierra Old Timers Motorcycle Club extend their sincere appreciation to all of you race participants and family, as well as our friends that are here to support our annual event. Without all the generous support from you and the continuous support from our sponsors, our event would not be a successful one. A big THANK YOU goes out to all our sponsors for your generous donations of contingency prizes for our Event Raffle. These prizes make our events that much more fun and rewarding.

While attending this event please abide by the following:

- Absolutely NO Moto Engines can be started prior to 7:30 AM
- NO Generators after 10 pm
- All dogs must be on a leash

We ask that you do not ride your motorcycle in the pit area at any time. You may ride slowly, in 1<sup>st</sup> gear only to and from the start and finish gate for you scheduled practices and Motos. You must have your helmet on at all times. There will be no exceptions. Violators can and will be asked to leave the Park with no refund. In addition, this applies to all people, young or old at this event racing or not.

**If you have any questions surrounding the track or scoring system, please ONLY see your assigned Club Representatives. The club rep. list will be posted at the sign-up location throughout the race. Please DO NOT interrupt or disturb the scorekeepers or track personnel. Again, your club representative can address your problem of issue and help you resolve it through the appropriate channel.**

The Sierra Old Timers would also appreciate your continued assistance in keeping the park free of litter. Please recycle all your plastic, glass and aluminum containers and place all garbage in the receptacles nearest your camping or seating location.

THANK YOU!

Rules and Procedures of the International Vet MX Association Committee are in effect at this event and will be followed. Please keep that in mind.

- Protests may only be lodged by the riders in the same moto and must be lodged with the rider's chapter representative in writing, within one half hour of the completion of the moto in question.
- If a rider leaves the track, they must safely re-enter as close to the point of exit without improving position.
- Changing motorcycles during moto will be cause for disqualification.
- Score keepers must be notified of bike number changes.
- When a yellow flag is displayed, there is no passing or jumping between the flag and the incident that caused yellow flag.
- Number plate background colors will be enforced for IVMX Classes.
- Masters: Black background with White numbers
- Experts: White background with Black numbers
- Intermediates: Yellow background with Black numbers
- Novices: Green background with White numbers

**Note: Single event riders will be allowed to use a strip of appropriate colored tape applied horizontally above and below the number.**

**Decisions made by the Presiding Riding Committee are final**

Abusive language or aggressive conduct toward race officials, scorers or volunteers will not be tolerated. Racers engaging in this behavior are subjected to ejection from the event and their entry fees and points forfeited.
